## JRS Ireland Intercultural & Interfaith Calendar 2011

The JRS Ireland Intercultural and Interfaith Calendar has been published since 2007 and is aimed at raising awareness of diversity in Ireland. Each month highlights religious feast days from different faiths, national days, international UN celebrations and bank holidays in the Republic of Ireland.

Each month is themed with a JRS Ireland Integration Value. Underpinning each integration value is a personal reflection from migrants or advocates on their behalf. These integration values are necessary to create an open, inclusive and dynamic Irish society in which all residents are valued, regardless of their nationality, religion or ethnic background.

This calendar is an excellent resource for people who wish to raise awareness and understanding of intercultural and interfaith issues in Ireland and is particularly useful as a classroom resource.

The cost of each calendar is €5 and the proceeds go towards JRS Projects in Ireland.
